Job Application for Software Engineer

Dear Ms. Davis,

About Me

I am writing to pursue a possible software engineering position with Concepts NREC. I am interested in any position that will put my software engineering skills to good use.

Having recently completed my Bachelor's degree at UMSL, I have experience writing and testing code in a number of languages such as C++ and Javascript. I have also utilized a variety of IDEs such as Eclipse and Visual studio. I enjoyed using and sharpening these skills, as well as working as part of Agile development teams, and believe this opportunity will allow me to continue doing so in a professional capacity

Why Concepts NREC?

As a computer science graduate I have been instructed in the use of various software development techniques and tools. I am fully capable of working on a team and am eager to gain experience in a well known and respected company such as Concepts NREC.

Why Me?

Attached is my resume. Feel free to call me at (206) 697-0392 with any questions you may have about me or my abilities. I look forward to your response!

Sincerely,

Dillon J. Belton
